Register on the website E-dame

If there are more than 25 applications, participants will be divided into 2 subgroups "A" and "B"

5. DEFINITION OF WINNERS. EXIT

For the victory in each game, the player receives 3 points,

for a draw - 1 point,

for a draw with material advantage - 2 points

for the defeat - 0 points.

If in the end, when the game ends with a theoretically no-goal result, one of side will have a material advantage of 2 units, then the points are distributed according to the judge's decision in the ratio 2 : 1.

The places of the participants of the competition are determined by the amount of points collected, the winner is the player who scored the most points. The distribution of seats with points equal is made according to the following criteria: 1) Shmul'yan-Dvorkovich coefficient; 2) the results of personal meetings; 3) the greatest number of victories.

Participants of the tournament who took 1-5 places in each of the subgroups are allowed on the final of World Championship T. ChMM-8S.
